

The **Dynamic International Ecosystem**

connecting **Startups**, Future driven **Companies**, **Business organizations**, **Accelerators**, **Incubators** and **Investors** to build concrete bridges between the **Innovation** and the **Market**.

Unique Platform & Concept

For businesses and startups:

Bee2BeeHUB gives you access to a suite of exclusive tools:

- An interactive virtual office (online premium booth, company profile, direct messaging, link to your partner organizations and physical trade shows, analytics, etc.)
- Access to meetings with investors (investment meetings, pitch sessions...)
- A customized communication kit
- And much more...

For organizations (incubators, innovation hubs, clusters, chambers of commerce, etc.):

The Bee2BeeHUB platform lets you create a dynamic ecosystem by:

- Bringing together your startups and innovative companies in a single space,
- Providing international visibility for you and your organization's members,
- Enabling you to organize online events through our virtual conference center.

Find out how Bee2BeeHUB can boost your growth in just 120 seconds.
